The Convenience of Online Banking and E-Statements

The Convenience of Online Banking and E-Statements

Wouldn't it be nice to be able to safely access your credit union accounts or transfer money anytime from your computer or smartphone? Guess what? You can with our mobile and digital banking tools.

Arcadia Credit Union has a seamless and safe online banking website where you can check your balances, view records of your transactions, transfer funds, pay bills online, and download statements. Did you get a paper check and don't have time to deposit it? Simply deposit it using our mobile check deposit within the online banking platform.

Our online banking uses multi-factor authentication to ensure only you can access your account digitally and an encrypted process to protect you throughout the transaction. In addition, your accounts are always insured up to \$250,000.

If you are still getting a paper copy of your monthly statement in the mail and concerned about mail theft, then consider signing up for an E-statement. Not only is it safer than a mailed paper copy, but it reduces clutter, and you'll get real-time information about your account. If you like keeping a hard copy for your records, you can easily download and print it on your own printer.

Online banking allows you to manage and access your money at your convenience, from anywhere you get a secured internet connection or cell reception. (We do not recommend performing any banking transactions on public wi-fi.) There is no need to take time out of your busy day to physically go to the credit union. Simply log in anytime you like, 24/7, and take care of all your common banking tasks.

Coming later in 2023 – we're enhancing our online banking and mobile banking options. Stay tuned to learn more and visit us at www.arcadiacu.com!

New Student Loan Options

Our partnership with ISL Education Lending provides you with new options for refinancing existing student loan debt and opportunities for lower-rate private education loans.

Refinance Existing High-Rate Loans

If you've previously taken out a loan through Sallie Mae or another for-profit lender with a high interest rate, you can refinance now.

Before Leaving College

Parents and students who have already taken out loans to pay college expenses do not need to wait until after graduation to take advantage of lower refinance rates. The lower-rate, no-fee Reset Refinance Loan for In-School Borrowers is available for you today.

- ▶ No payments required until the student leaves school.
- ▶ Save on interest now.
- ▶ Parents can combine their own loans or loans for multiple children and still defer repayment, even if some of the loans are in repayment now.

After Leaving College

The no-fee Reset Refinance Loan can help you make headway on your existing education loans.

- ▶ Multiple repayment choices to maximize your financial goals.
- ▶ Pay off multiple existing loans with one new loan to fit your budget and simplify repayment.

Find New Lower-Rate In-School Loans

If you or a student in your life is in college, check out the options for lower-cost loans for students or families.

- ▶ Cover the gap between the cost of attendance and other financial aid, savings and earnings.
- ▶ Choose from fixed or variable rates with the Partnership Advance Education Loan for students or fixed rates for the College Family Loan for those who borrow on behalf of a student.
- ▶ You decide whether to make payments immediately, pay interest only during college, or delay repayment until after leaving school or dropping below half-time enrollment.
